

Sorted

This week, we test the latest **night creams** designed to turn back the clock while you sleep

8/10

Clinique Repairwear Lift Firming Night Cream, £38 for 30ml

7/10

No7 Hydro Quench Overnight Cream Sorbet, £16 for 30ml

4/10

L'Occitane Immortelle Very Precious Cream, £45 for 50ml

10/10

Star buy

Pro-Ferm Regenerative Night Cream, £65 for 50ml

The hype Retinol, whey protein and vitamins E and C help to firm and repair the skin.

The verdict 'I wouldn't say that it firmed or lifted my skin, but it certainly made it look fresher and brighter, which is half the battle.' **Emma, 30**

The hype A super-moisturising, feather-light hydrator for combination skin.

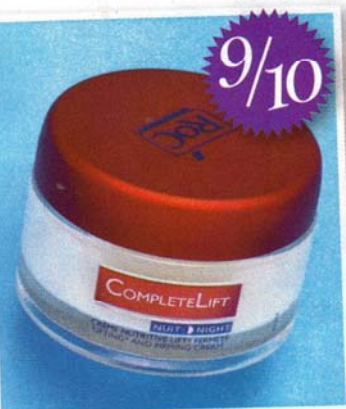

The verdict 'It made my skin look fresher and more radiant, but the badly designed tube makes it hard to dispense the right amount of cream.' **Jennie, 30**

The hype Reduces the depth of wrinkles by more than a quarter after four weeks.

The verdict 'Two weeks after using this product I noticed some old wrinkles returning – ones that I usually keep at bay with a retinol-based night cream.' **Annie, 39**

The hype Breakthrough ingredients spring-clean skin from within and stimulate cell renewal.

The verdict 'At last, an anti-ageing cream that works! It's tightened my skin and shrunk my pores so that I wake up looking fresh and well rested.' **Rebecca, 40**

9/10

Roc Complete Lift Night, £24.95 for 50ml

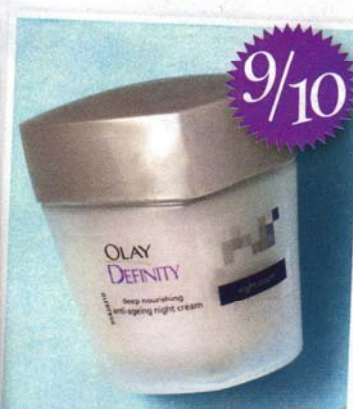

7/10

L'Oréal Dermo Expertise Age Perfect Night Cream, £15.99 for 30ml

8/10

Skin Doctors Retanew, £39.95 for 50ml

9/10

Olay Definity Night Cream, £22 for 50ml

The hype Energising minerals smooth and firm the skin to give a full facelift effect.

The verdict 'This night cream smells good, absorbs instantly and succeeded in making my tired, washed-out skin look firm and toned.' **Susie, 33**

The hype Soothing, hydrating and packed with a high concentration of repairing calcium.

The verdict 'Although this cream does have an unappealing, greasy texture, it does seem to work because my wrinkles look less pronounced.' **Sarah, 44**

The hype Contains retinol and power peptides to provide an intense anti-ageing hit.

The verdict 'Definitely a case of "no pain, no gain"! It stings like crazy when you put it on, but it has definitely brightened and tightened my skin.' **Mia, 28**

The hype Promotes a radiant skin tone so that you wake up looking luminous.

The verdict 'This product has the texture of a more expensive cream and makes me look as if I've had eight hours sleep, even when I haven't!' **Rose, 25**
